Statement of Sympathy

CALGARY – It is with great sadness we learned today that our colleague and friend, Tom Podivinsky, passed away yesterday in a skiing accident in Whitefish Montana.

Tom was employed with Athabasca Oil Corporation as chief geophysicist and has been with the company since 2007.

Our deepest sympathy and condolences go out to his family.

Tom was a thorough professional and was always upbeat and eager to share his knowledge with others. He will be sorely missed by his friends and colleagues.
