

Overview of Athabasca Oil Corporation

Athabasca Oil Corporation (“AOC”) is a unique liquids-weighted intermediate producer. At AOC, we proudly and responsibly produce Canadian energy to improve people’s lives. We are passionate, take ownership of our work, get things done and are great at what we do.

The company has a predictable low decline thermal business with >1 billion barrels of top quartile reserves and low sustaining capital requirements. Athabasca also has a de-risked light oil business in the Montney and Duvernay with peer leading netbacks and a large inventory of development locations.

AOC has positioned itself with strong financial capacity of over \$300 million (mostly cash) and no debt maturities until 2026. The corporate strategy is to generate significant free cash and provide superior returns to shareholders. The company is on track to be debt-free by 2023, putting it in an enviable position relative to its peers. Sustainability is core to the business with strong governance and a commitment to reducing emissions through its technology roadmap.

Athabasca has a track record of transformative projects including JV’s, M&A, royalties and unique marketing arrangements. AOC offers a dynamic and exciting work environment for the right candidate. AOC is publicly traded on the TSX under the symbol “ATH”.

Capital/Operations Accountant

We are currently recruiting for a Capital/Operations Accountant within our Thermal Oil division based in Calgary. This position will report to the Manager, Thermal Oil Finance.

Responsibilities

- Monthly preparation and booking of accruals for capital expenditures;
- Analyze and prepare a comprehensive analytical review of capital results, including explanations for variances from budgets and forecasts;
