

Overview of Athabasca Oil Corporation

Athabasca Oil Corporation (“AOC”) is a unique liquids-weighted intermediate producer. At AOC, we proudly and responsibly produce Canadian energy to improve people’s lives. We are passionate, take ownership of our work, get things done and are great at what we do.

The company has a predictable low decline thermal business with >1 billion barrels of top quartile reserves and low sustaining capital requirements. Athabasca also has a de-risked light oil business in the Duvernay with peer leading netbacks and a large inventory of development locations.

AOC has positioned itself with strong financial capacity of over \$400 million (mostly cash), putting it in an enviable position relative to its peers. The corporate strategy is to grow our assets, generate significant free cash and provide superior returns to shareholders. Sustainability is core to the business with strong governance and a commitment to reducing emissions through its technology roadmap.

Athabasca has a track record of transformative projects including JV’s, M&A, royalties, and unique marketing arrangements. AOC offers a dynamic and exciting work environment for the right candidate. AOC is publicly traded on the TSX under the symbol “ATH”.

Marketing Analyst

We are currently recruiting for a Marketing Analyst, reporting to the Director of Marketing and Transportation, to assist with Athabasca’s heavy oil and light oil businesses in transporting our oil and gas products to market. This is a full-time position in Calgary.

Responsibilities:

- Manage daily and monthly nomination schedules for natural gas, crude oil, dilbit and condensate
- Analyze netback prices received by AOC as compared with market benchmarks and industry peers
- Interface with pipeline, marketing, and trucking companies to ensure egress for AOC production
- Evaluate options for pricing on natural gas, crude oil, dilbit and condensate
- Liaise with trader, finance, and accounting to provide accurate and timely information
- Provide marketing and logistics support to Operations, Accounting, Production and Corporate Planning
- Collaborate with team members to identify and implement process improvements

Qualifications:

- Ideally 5 years' experience in oil and gas with a strong business and financial mindset. Open to a range of experience levels.
- Undergraduate degree in Engineering, Finance, Commerce or Economics preferred
- Familiarity with Alberta and North American commodity markets considered an asset
- Strong critical thinking skills, the ability to source, handle, and organize data
- A self-starter with a results-oriented work style
- Strong communication skills and ability to build relationships across business functions
- Work collaboratively with a mindset for continuous improvement
- Must be legally eligible to work in Canada

Please email your resume with a cover letter to careers@atha.com with “Marketing Analyst” in the subject line of the email by **September 22, 2023**. We thank you in advance for your interest and note that only those selected for an interview will be contacted.
